Dear Secretary LaHood:

Pursuant to Title XV, Subtitle A, Section 1511 of the American Recovery and Reinvestment Act (Pub. L. 111-5 (Feb. 17, 2009)) (ARRA), I, Michael W. Reed, Commissioner of the Indiana Department of Transportation, hereby certify that the infrastructure investments funded with amounts appropriated by ARRA under the headings: "Highway Infrastructure Investment" to the Federal Highway Administration; "Transit Capital Assistance," "Fixed Guideway Infrastructure Investment" and "Capital Investment Grants" to the Federal Transit Administration, attached as amendments to the Indiana Statewide Transportation Improvement Program (the "STIP") as described below have received the full review and vetting required by law and that I accept responsibility that such investments are appropriate uses of taxpayer dollars.

I further certify that as the State of Indiana identifies additional projects to which Section 1511 certification would apply, I will cause the Indiana Department of Transportation to amend the STIP accordingly and I will submit an additional certification letter for each such amendment.

I further certify that the specific information required by Section 1511 concerning each such investment (a description of the investment, the estimated total cost, and the amount of ARRA funds to be used) is provided on the amended STIP and is available at <http://www.in.gov/indot/2926.htm> and linked to Recovery.gov.

I understand that my State or local agency may not receive ARRA infrastructure investment funding unless this certification is made and posted.

Michael W. Reed
Commissioner, Indiana Department of Transportation
